

# Spring Activities

## Yes! No! Game

---

**OBJECTIVE OF THE GAME:** To try and get your partner to say 'YES' or 'NO' while avoiding saying 'YES' or 'NO' on your turn.

---

**TO SET UP:** Decide who is player A and B. Both players get 2 sets of 10 questions to ask their partner.

---

**TO PLAY:** Player A goes first by looking at the first set of 10 questions for your partner. The players read the questions out to their partner trying to them saying 'YES' or 'NO'. If you hear your partner say 'YES' or 'NO' mark it on a piece of paper. The players may add questions spontaneously to trick their partner into saying 'Yes' or 'NO'. Take turns after each question round.

---

**OBJECTIVE FOR THE PLAYERS:** To answer as quickly as possible in full sentences adding creative context spontaneously. Remember that this is meant to be a speaking exercise! So take the opportunity for conversation here!
